

MEMORANDUM

To: Clients

From: Sonya Bruening, MLT(AMT), Manager of Flow Cytometry
Adam Hoffhines, M.D., Ph. D., Chief of Flow Cytometry

Date: June 27, 2022

Subject: Notice of Change in Operating Hours for the Flow Department

Regional Medical Laboratory (RML) would like to inform you that effective immediately, our new operating hours will be Tuesday through Saturday for the Flow Department.

Reminder to collect specimens Monday through Friday only. Specimens must be received in the lab section by Friday or collect samples on Monday.

We regret any inconvenience.

Please contact Sonya Bruening, Manager of Flow Cytometry at 918-744-3132 ext. 18213 or Adam Hoffhines, M.D., Ph.D. at 918-744-2553 with any questions.
